Privacy Statement

This privacy statement was last changed on 6 May 2026, last checked on 6 May 2026, and applies to visitors to [website].

In this privacy statement, we explain what we do with the data we obtain about you via *[website].* We recommend you carefully read this statement. In our processing we comply with the requirements of US privacy legislation. That means, among other things, that:

- We clearly state the purposes for which we process personal data. We do this by means of this privacy statement.
- We aim to limit our collection of personal data to only the personal data required for legitimate purposes.
- We first request your explicit consent to process your personal data in cases requiring your consent. This is done using a pop-up the first time you visit our website and your first visit after clearing your browser cache/cookies.
- We take appropriate security measures to protect your personal data and require this from parties that process personal data on our behalf.
- We respect your right to access your personal data or have it corrected or deleted at your request.

If you have any questions or want to know exactly what data we keep from you, please [contact us].

Purpose and Categories of Data

We may collect or receive personal information for several purposes connected with our business operations which may include the following:

1.1 Contact – Through phone, mail, email and/or webforms

The following categories of data are collected

- A first and last name
- An email address
- A telephone number

Retention period

We retain this data until the service is terminated.

2. Disclosure practices

We disclose personal information if we are required by law or by a court order, in response to a law enforcement agency, to the extent permitted under other provisions of law, to provide information, or for an investigation on a matter related to public safety.

If our website or organization is taken over, sold, or involved in a merger or acquisition, your details may be disclosed to our advisers and any prospective purchasers and will be passed on to the new owners.

3. How we respond to Do Not Track signals & Global Privacy Control

Our website responds to and supports the Do Not Track (DNT) header request field. If you turn DNT on in your browser, those preferences are communicated to us in the HTTP request header, and we will not track your browsing behavior.

4. Cookies

Our website uses cookies. For more information about cookies, please refer to our [Cookie Policy]. We anonymize IP addresses.

5. Security

We are committed to the security of personal data. We take appropriate security measures to limit abuse of and unauthorized access to personal data. This ensures that only the necessary people have access to your data, that access to the data is protected, and that our security measures are regularly reviewed.

Our security measures:

- Login Security
- DKIM, SPF, DMARC and other specific DNS settings
- (START)TLS / SSL / DANE Encryption
- HTTP Strict Transport Security and related Security Headers and Browser Policies
- Website Hardening/Security Features
- Vulnerability Detection
- Domain IP masking
- Firewalls

6. Third-party websites

This privacy statement does not apply to third-party websites connected by links on our website. We cannot guarantee that these third parties handle your personal data in a reliable or secure manner. We recommend you read the privacy statements of these websites prior to using and sharing your data with third-party websites.

7. Amendments to this privacy statement

We reserve the right to make amendments to this privacy statement. It

is recommended that you consult this privacy statement regularly keep up with changes. In addition, we will actively inform you of changes whenever possible if you've signed up to receive such updates.

8. Accessing and modifying your data

If you have any questions or want to know which personal data we have about you, please contact us. Please make sure to always clearly state who you are, so that we can be certain that we do not modify or delete any data of the wrong person. We shall provide the requested information only upon receipt of a verifiable consumer request. You can contact us by using the contact information below.

8.1 You have the following rights with respect to your personal data

1. You may submit a request for access to the data we process about you.
2. You may opt out of non-functional (marketing, statistics) processing.
3. You may request an overview, in a commonly used format, of the data we process about you.
4. You may request correction or deletion of the data if it is incorrect or not or no longer relevant, or to ask to restrict the processing of the data.
5. You may appeal our decision whenever we refuse to act on a request and submit a complaint with the competent authority if your appeal is denied.

9. Children

Our website is not designed to attract children, and it is not our intent to collect personal data from children under the age of consent in their country of residence. We do not provide services to children under the

age of consent. We therefore request that children under the age of consent do not submit any personal data to us.

Annex

Relevanssi

What personal data we collect and why we collect it

All searches performed using the internal site search are logged in the database, including the following information: the search query, the number of hits found, user ID for users who are logged in and date and

time.

How long we retain your data

The search logs are stored for 7 days before they are automatically removed.

Complianz | The Privacy Suite for WordPress

This website uses the Privacy Suite for WordPress by Complianz to collect and record Browser and Device-based Consent. For this functionality, your IP address is anonymized and stored in our database. This service does not process any personally identifiable information and does not share any data with the service provider. For more information, see the Complianz Privacy Statement.
